

GameObject

```
graph BT; Player --> Character; Character --> GameObject
```

The diagram illustrates a class hierarchy with three levels. At the top is the 'GameObject' class. Below it is the 'Character' class, which inherits from 'GameObject' as indicated by an upward-pointing arrow. At the bottom is the 'Player' class, which inherits from 'Character' as indicated by another upward-pointing arrow. All three classes are represented by rectangular boxes with thick black borders.
